

Dear Gonzaga Parent,

Gonzaga University's Circle K Club will once again be offering a very special service to their fellow students. Finals week is rapidly approaching. This is often a very stressful time for students burdened with studying and wrapping up year-end projects, but it signals the coming of a long-awaited break.

As in past semesters, the **Gonzaga Circle K Club**, with the permission of the Dean of Student Activities Office, is offering parents the opportunity to send their son or daughter a **Finals Basket** to remind them of their well - wishes during this busy time. The cost per basket is \$12.00. All proceeds from the baskets will be used by the **Kiwanis Club** of Northeast Spokane to sponsor the Gonzaga University **Circle K Club**. The proceeds will be used to fund service activities in the Spokane Community and leadership training opportunities for the club. **Baskets will be delivered to students on Saturday, April 28th, with a written message from you!** Past baskets have included:

Crackers	Ramen Noodles	Juices	Muffins
Microwave Popcorn	Hot Chocolate	Cheese	Candy
Gum	Apples/Oranges	Cereal	And Much More!!

Students appreciate having the snacks around when they are studying and can't take a break from their books to find something to eat. They especially appreciate the fact that their parents are thinking about them at this stressful point in the year.

The **Gonzaga Circle K Club** is a part of **Circle K International**, the largest collegiate service organization in the world, and is a sponsored youth program of **Kiwanis International**. Together Circle K and Kiwanis serve the needs of communities all over the world, with more than 11,000 members worldwide. Here in Spokane, our members are involved in projects such as fundraising for the eradication of Iodine Deficiency Disorder and volunteering at the Spokane Food Bank and Union Gospel Mission. These represent only a handful of the agencies assisted by Gonzaga Circle K. Our service goal for this year is to contribute **2,500 hours** to various organizations in Spokane. Your donation can help us continue these activities here at Gonzaga and in our community during the year. It will also support Gonzaga Circle K leaders by allowing them to attend the Circle K Leadership Convention.

If you would like to send your son or daughter a **Finals "Care" Basket**, please complete the attached order form and have it postmarked no later than **Friday, April 13th, 2001**. In order to ensure that your son or daughter receives his or her basket on time, **please include your student's current dorm and room number, or complete street address and apartment number for those living off-campus, on the attached sheet**. It is imperative that you return the attached form **FULLY COMPLETED**. Please enclose a check for (\$12.00 per basket) made payable to Northeast Spokane Kiwanis Club, and send to:

Northeast Spokane Kiwanis Club
PO Box 21028
Spokane, WA 99201

Thank you very much for your support! If you have any further questions or concerns, please direct them to our Finals "Care" Basket Chair Jenny Garnett at (509) 324-4370 or jgarnett@gonzaga.edu. *Check us out on the web at <http://www.gonzagacirclek.org/>!*
